Every effort is made to honor all our chapter loved ones on their anniversary and birth dates. If you do not see them in this newsletter, **PLEASE CONTACT US (714) 402-3171 or email: gocpomc@yahoo.com**

As survivors ourselves, we do not want to leave out nor offend anyone, so please help us be accurate.

Speak Their Name

*Someone I love has gone away and life is not the same.
The greatest gift that you can give is just to speak their name.*

*I need to hear the stories and the tales of days gone past;
I need for you to understand these memories must last.*

*We cannot make more memories since they're no longer here
So when you speak of them to me its music to my ear.*

THE COURAGE TO GRIEVE

(A Weekend of Hope and Healing in the Pines)

October 18 - 20 in beautiful PINE, ARIZONA

Our chapter is hosting our thirty-second, self-help, rewarding weekend of the courage to grieve, to face the many overwhelming and difficult emotions that are the aftermath of murder and are often compounded by the intrusion and frustration of the judicial process. Beneath the explosive emotions of rage, hate, and revenge lay the more primary feelings of pain, fear and helplessness. Unresolved, these emotions can cause survivors to feel they are losing their minds. The isolation survivors feel from those who will not or cannot deal with the impact of the loss, leave survivors alone with their grief or discourages them from grieving at all. An integral part of this weekend will be an examination of love, tenderness and affection, relaxation techniques and the encouragement to move forward, uncover and experience within a safe environment of others who truly understand. The weekend has been designed to influence the reconstruction of a new life - a life that has a renewed sense of purpose, though forever changed by murder.

The weekend begins with dinner on Friday night. Those attending will all meet at the cabin in Pine, by 5:00 pm, with introductions to the group after dinner. This cabin was purchased by Roger and Carol Fornoff specifically for retreats. Their daughter, Christy Ann, was killed in Tempe in 1984, while collecting money for her newspaper delivery route. Our chapter has hosted 32 retreats at the Fornoff's cabin in the beautiful and peaceful pines surrounding it.

The cost of the weekend is currently no charge to our families as we obtain grant or donated funds. Meals are home-cooked and served family style as if you were at home. Roger is a very good cook and he loves doing so. Space is limited to a maximum of 16, so reserve your spot now. *While no charge to attend, we do need a deposit of \$50 (per person attending) which will be refunded to you after your participation that weekend. (check or cash, please). If you do not attend it will not be returned with exception of emergency illness or death in family.

Many of those who have attended the grief weekends will tell you, though it is hard emotional work, it is very beneficial and rewarding. Husbands and wives, siblings, all family members should attend together and learn that while we each grieve differently and had our own relationship with our loved ones, we all share the pain and the trauma of losing a loved one to murder.

*****If attending from out of state, a scholarship might be available through National POMC for travel help.**

Please sign me up for the grief retreat in Pine. (Deposit - \$50, check or cash)

Installing Love

author unknown

Tech Support: Yes, how can I help you?

Customer: Well, after much consideration, I've decided to install Love. Can you guide me through the process?

Tech Support: Yes. I can help you. Are you ready to proceed?

Customer: Well, I'm not very technical, but I think I'm ready. What do I do first?

Tech Support: The first step is to open your Heart. Have you located your Heart?

Customer: Yes, but there are several other programs running now. Is it okay to install Love while they are running?

Tech Support: What programs are running ?

Customer: Let's see, I have Past Hurt, Low Self-Esteem, Grudge and Resentment running right now.

Tech Support: No problem, Love will gradually erase Past Hurt from your current operating system. It may remain in your permanent memory but it will no longer disrupt other programs. Love will eventually override Low Self-Esteem with a module of its own called High Self-Esteem. However, you have to completely turn off Grudge and Resentment. Those programs prevent Love from being properly installed. Can you turn those off?

Customer: I don't know how to turn them off. Can you tell me how?

Tech Support: With pleasure. Go to your start menu and invoke Forgiveness. Do this as many times as necessary until Grudge and Resentment have been completely erased.

Customer: Okay, done! Love has started installing itself. Is that normal?

Tech Support: Yes, but remember that you have only the base program. You need to begin connecting to other Hearts in order to get the upgrades.

Customer: Oops! I have an error message already. It says, "Error - Program not run on external components ." What should I do?

Tech Support: Don't worry. It means that the Love program is set up to run on Internal Hearts, but has not yet been run on your Heart. In non-technical terms, it simply means you have to Love yourself before you can Love others.

Customer: So, what should I do?

Tech Support: Pull down Self-Acceptance; then click on the following: Forgive-Yourself; Realize Your Worth; and Acknowledge your Limitations.

Customer: Okay, done.

Tech Support: Now, copy them to the "My Heart" directory. The system will overwrite any conflicting files and begin patching faulty programming. Also, you need to delete Verbose Self-Criticism from all directories and empty your Recycle Bin to make sure it is completely gone and never comes back.

Customer: Got it. Hey! My heart is filling up with new files. Smile is playing on my monitor and Peace and Contentment are copying themselves all over My Heart. Is this normal?

Tech Support: Sometimes. For others it takes awhile, but eventually everything gets it at the proper time. So Love is installed and running. One more thing before we hang up. Love is Freeware. Be sure to give it and its various modules to everyone you meet. They will in turn share it with others and return some cool modules back to you.

Customer: Thank you, God.

Regarding our Candlelight Vigil and Names Dedication Ceremony in April 2020

****** Each year, during the month of April, the Greater Orange County Chapter of Parents of Murdered Children hosts a Candlelight Vigil and Names Dedication Ceremony during "Victims' Rights Week". This is a very special ceremony dedicating a loved one's name that has been inscribed on black granite and set beneath a beautiful white marble monument at Memory Garden Memorial Park in Brea, CA. If you are interested in being a part of next year's ceremony and having your loved one's name included at the monument, the necessary **FORM is attached** for completion and submission. Our web site www.gocpomc.org also provides additional information about the event. You are welcome to "contact us" via email at gocpomc@yahoo.com or by calling our chapter **Message Phone: (714)999-7132**. We promise that our loved ones will never be forgotten; Memory Garden Memorial Park and our Monument provide us all with a very special place for sharing, remembering and honoring them.**

We Remember Them

*In the rising of the sun and in its going down,
We remember them;
In the blowing of the wind and in the chill of the winter,
We remember them;
In the opening of the buds and in the warmth of summer,
We remember them;
In the rustling of leaves and the beauty of autumn,
We remember them;
In the beginning of the year and when it ends,
We remember them;
When we are weary and in need of strength,
We remember them;
When we have joys we yearn to share,
We remember them;
So long as we live, they too shall live,
For they are now a part of us, as
We remember them.*
