July=Independence

As we enter the month of July, I am excited to say that we are only days away from our conference. This is exciting to me because we live in a world where we run into people who do not understand how we feel and fumble their words when speaking to us. When we are around each other we understand the soft look, the unspoken words, or the blank stares. We can feel the instant love and kindness we have for one another because our stories all start the same.

I look forward to seeing you all there and if you have any questions, please feel free to contact myself (Debra Dizon-Hernandez) or another board member.
