

Greater Orange County Chapter of Parents Of Murdered Children

FOR THE FAMILIES & FAMILIES OF THOSE WHO HAVE DIED BY VIOLENCE

March holds significance for various reasons, from the arrival of the first day of spring and the observance of Daylight Saving Time to the festivities of St. Patrick's Day and the recognition of Women's History. However, it also carries personal significance as we remember the anniversary and heavenly birthdays of our loved ones.

Our newsletter serves as a platform for information dissemination and honoring the memories of our cherished ones. Your input and contributions are essential in shaping the newsletter's content and ensuring its relevance. If there are specific topics or features you wish to see included, please don't hesitate to reach out to Debra or send your suggestions to the email provided below. Together, we can make our newsletter a meaningful tribute to our loved ones and a source of support for POMC..
